An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Salvatore Anastasi on January 10, 2005.

The application has been amended as follows:

Penultimate line of claims 1 and 19, – and the cable outer conductor – has been inserted after “conductor”. This change has been made to better clarify the invention.

The following is an examiner's statement of reasons for allowance: none of the prior art of record, particularly the applied art, discloses or teaches a sleeve which reaches approximately form-fittingly around the outer conductor and the cable outer conductor in a connection region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paula Bradley can be reached on 571-272-2800, ext. 33. The fax phone
